FEATURED PRODUCT:

Walnut Lane Farm's Outdoor Sonoma Valley Grape

Walnut Lane Farms is a local Sonoma County Farm specializing in rare strains with unique flavors, cultivated with great care and attentiveness. The passionate team of growers at Walnut Lane Farms collaborates on several strains, and one of their most popular varieties is Sonoma Valley Grape. A sweet purple Indica with local heritage, this strain is for those who require powerful relief from pain, anxiety or insomnia, and is best smoked in the evening. Sonoma Valley Grape is physically relaxing and mentally calming so it is the perfect combination of effects for unwinding after work or getting a good night's sleep. Its robustly fruity and flavorful terpene profile enhances the experience, and makes this strain stand out from the crowd.

RECIPE OF THE MONTH:

Featured NCC Cosmic Caramels, Autumn Caramel Apples

Enjoy this easy holiday treat, using our famous and strong Natural Cannabis Company Cosmic Caramels. (Each apple is infused with 5 or more cannabis doses.)

Ingredients -

- 5 Natural Cannabis Company Sweet and Creamy Cosmic Caramels (unwrapped pieces, not packages)
- 2 apples of your choice, (firm is better)
- 2 tsp milk
- 2 craft sticks (for popsicles)

Directions:

- Remove the stem from each apple, and insert a craft stick; this will be your handle so you can enjoy your treat without becoming caramel-covered yourself.
- Prepare a small cookie sheet (small enough to fit in your refrigerator,) either by greasing it with butter or lining it with parchment paper.
- Combine milk and 5 cosmic caramels in a microwave safe bowl big enough to roll an apple around in. Microwave for 2 one-minute intervals, stirring once in between and once after.
- Holding your apples by the craft stick, roll your apple in the caramel mixture, turning to coat the outside.
- Place on your prepared baking sheet, and refrigerate for at least 20 minutes or until caramel has set.
